MS/HS Grades 6-9 Summer Reading Project Book Tracker-

Directions: Keep a log of the amount of pages read per book, per day.

Math Connection: You will determine the fraction and percentage of the book read each day. Example: Student read 10 out of 200 pages today. Fraction = 10/200 or 1/20, percentage = 5%.

Book Title	Author	Date Read	Amount of Pages read	Total Amount of Pages in book	% of pages read
